

CROSS-REFERENCING

Using cross-referencing

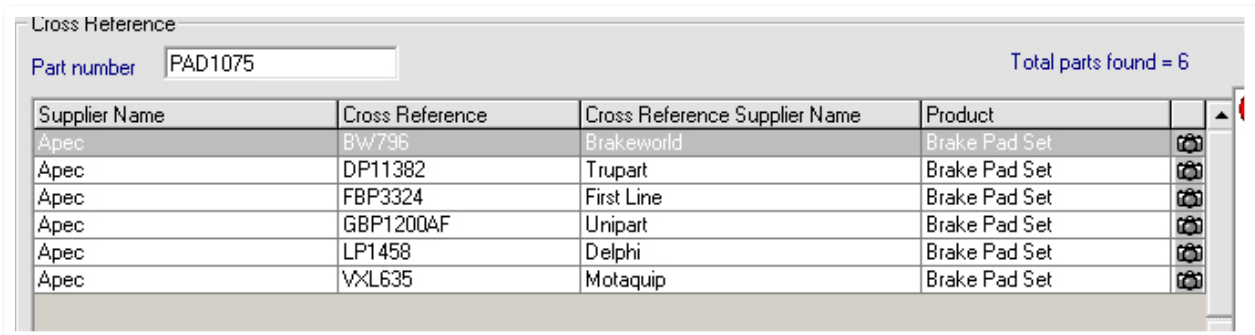

To use cross-referencing, press the 'X ref' button at the bottom of the Autocat+ screen:

Enter an OEM (e.g. 96106474) or aftermarket part number (e.g. PAD1075) in the 'Part number' field:

Then click 'Display/2' or press Enter. A list of supplier cross-references will be returned:

Using cross-referencing

Double-click on any line in the table and a 'buyers guide' lookup will confirm fitment for the selected part:
