

New Spring release out now

Latest release of Autopart is packed with new features and enhancements

Autopart v20 R009 out now

Release R009 features 39 new developments including significant enhancements to its 'non stocked items' and paylater (cash on delivery) functionality.

Many of the enhancements in R009 are available free-of-charge to existing Autopart v20 users with a current support and maintenance contract. Special offers are available to companies upgrading from Autopart v17 or migrating from competitive systems.

Key developments include:

- ▶ Customer returns note search
- ▶ Block importing of alternatives
- ▶ Rename tabs in point-of-sale
- ▶ Application of surcharges
- ▶ Sales promotions
- ▶ Date stamp paperwork trail
- ▶ Mandatory order numbers
- ▶ Show all bays in QJI

Upgrade and migration offers available
