

Organise your business and boost profitability

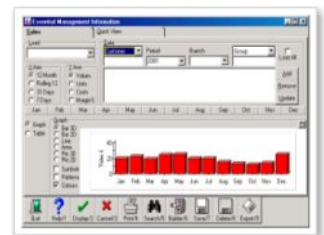

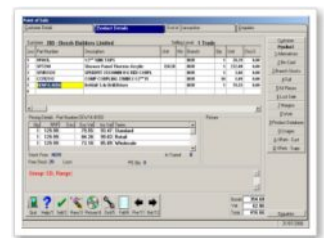

Software for electrical wholesalers

Reliable, affordable software to improve business performance

Trader is a fully integrated business application that can help streamline internal operations, improve customer service and maximise profitability.

- ▶ Streamline point-of-sale
- ▶ Improve customer service
- ▶ Manage promotions and incentives
- ▶ Accurately control pricing
- ▶ Automate stock management
- ▶ Maintain levels and avoid shortages
- ▶ Identify and promote profitable lines
- ▶ Manage multiple suppliers
- ▶ Automate accounting procedures
- ▶ Monitor and assess performance

Trader is a versatile management application designed to address the needs of merchants, wholesalers and retailers serving the building and allied trades. Employing the latest Microsoft technology, it provides a robust business environment that seamlessly integrates sales, stock, accounting and reporting processes. With a focus firmly on improving profitability and delivering a return on investment, Trader can help companies achieve tangible positive results such as improved efficiency, lower operating costs, enhanced customer service and increased profitability.
