**Introducing MAM Network Solutions (MNS) - a new range of MAM-supported VPN solutions for company-wide data communications**

***Fast, reliable, secure*** MAM Network Solutions (MNS) offers you a streamlined infrastructure on which to operate your multi-branch Autopart software. Supported directly by MAM Software, MNS utilises the latest MPLS telecommunications technology to connect your sites in a fast, reliable and secure company-wide virtual private network (VPN).

- ✓ Reliable network solutions
- ✓ Managed internet access
- ✓ Dedicated server hosting
- ✓ Scalable and future-proof
- ✓ Quick and easy installation
- ✓ Single point of contact

### ***Streamlined management***

MAM Network Solutions (MNS) can be tailored to meet your individual bandwidth and budget requirements. Single, dual or quad lines can be employed to provide scalable network capacity and can be enhanced with additional services such as internet access or dedicated server hosting. MNS is backed by our own internal departments, providing you with a single point of contact for all their sales and support enquiries.
