

SOFTWARE FOR TIMBER MERCHANTS

Trader: a feature-rich management application offering fully-integrated point-of-sale, stock control and accounting functionality

Reliable, affordable management software

Developed for Microsoft Windows, Trader provides a wealth of functionality yet remains intuitive and simple to use. It's a scalable solution that will manage all of your business-critical processes and help you improve productivity and efficiency.

- ✓ Sales order processing
- ✓ Purchase order processing
- ✓ Stock management
- ✓ Ledger accounting
- ✓ Business analysis & CRM
- ✓ E-commerce connectivity

7-days-a-week support

Our comprehensive support packages will help you get the maximum value from Trader. Our on-site implementation and training teams will configure the software to your own requirements and ensure you're confident using it.

Should you need it, our UK-based telephone helpline is manned by our own trained personnel 7-days-a-week and our dedicated support Extranet allows issues to be logged and tracked online 24 hours a day.
